THE GREAT LA GRANDE VALLEY.

Making Eighteen Trains with Twenty Cars Each—Just One Full Car Per Day, is the Amount of Merchandise Received at

LA GRANDE OREGON. In the past year. This great bulk of merchandise supplies about two-thirds of the population in Union and Wallaw counties, or two-thirds of about twenty-three thousand people, who get their supplies at LA GRANDE. THE GRAND RONDE VALLEY.

With its gross acreage of over one half million acres, 1,000,000 of which is susceptible of cultivation, with 200,000 acres now under cultivation, and all the balance a vast tract of magnificent timber, it is not surprising that two-thirds of the wealth of this inland empire comes annually from La Grande. This Eden of Oregon has a population of 1,000 people, and it is not surprising that two-thirds of the wealth of this inland empire comes annually from La Grande.
